News and Updates for our VIP'S SEPTEMBER 2020

Dear Premium Seating Guest,

The recent fires in California have been devastating - we hope you, your family and business associates are well and safe.

Well Wishes for Adam Millar

Our General Manager, Adam Millar, has left Toyota Arena to pursue a “dream come true” job. He will be the GM for the new San Diego stadium being built...and it happens to be his Alma Mater. We appreciated a job well done by Adam the last two years and wish him the best. As President and CEO of Toyota Arena I will be stepping in to take on the day to day duties. We are continuing to book new shows and sporting competitions. Very soon we will be able to announce a new country concert, new dates for rescheduling some events, and are working on a new sports team for our Arena. While we can not open our doors yet we are diligently working to be prepared for the day we can. Thank you for continued business!

Ticketing News

Ticketmaster will soon be announcing a new program. The new “You’re Up Next” Account Manager log in system will be rolled out soon. Bottom line – this new design will make it easier for you, the fans! As soon as we have more information will be sharing it with you.
